

Another Exciting TV Space Game From SEGA

# SPACE ODYSSEY

An Odyssey in Space !!

Spectacular horizontal and vertical  
space scenes in vivid color.

Highly realistic battle action with  
matching synthesized voice commands.

Zoom over  
the futuristic  
planet city below  
& shoot down  
the waves of  
attacking UFO's.

Avoid the black holes  
that will temporarily  
disable your ship,  
while shooting down  
enemy space ships.

Fly over the scenic  
mountains and  
do battle  
with the enemy.
